Dick Whittington travels to London with his beloved cat Whiskas where he meets up with some old relatives. Two of these relatives and Dick each have a part of a treasure map saying there is gold buried somewhere in London. However, another relative, the evil Countess Anastasia Kitov from Russia, has the 4th part of the treasure map. Dick and his friends will need to work with her in order to find the gold. However, Anastasia helped by her secretary, Natasha Veribooch and some evil KGB minders plot to doublecross Dick and his friends and get all of the gold for themselves!!!

Will their dastardly plot work? Indeed, will there be any plot at all this year? Will Dick get the girl? Will there be any good jokes? And who is Will?All WILL be revealed

Yes, it's **Panto** time again! And this year it is Dick Whittington. Cast members from the Barns Green Players have just started rehearsing in preparation for what we are sure will be another great show.

There will be a total of **6 shows** performed over two week ends in the **Barns Green Village Hall this coming January**. The shows will be on **Friday 13th (evening), Saturday 14th (afternoon and evening), Friday 20th (evening), and Saturday 21st (afternoon and evening)**.

Neale Francis is the Director this year. "We have a great cast and a cracking show for you to look forward to. Dick Whittington is one of the traditional pantomimes but we have quite a few twists and surprises lined up this year. Our Dick Whittington lives for music and is writing his own musical so there will be lots of singing and dancing for you to enjoy. The backstage crew have been sawing and hammering, painting and sewing to make all the sets and costumes which will all lead to what I'm sure will be a production that all age groups will enjoy".

The afternoon performances are particularly suitable for the very youngest children. There are singalongs and sweets for the kids and opportunities for the audience to join in with the fun. For the evening performances there is a licensed bar serving a variety of alcoholic and soft drinks as well as sweets. The afternoon performances begin at **2pm and evening performances at 7.30pm**.

If you are regulars at the Barns Green Players Panto you will know just what a terrific show they put on and if you haven't been before you are in for a real treat. **Tickets cost just £11 for adults and £8 for children. (all tickets on both Saturday evenings are £11.00)** There is a special price of just **£8 for all tickets on Friday 13th January**. Tickets go on sale on **Tuesday 1st November** so book early to make sure that you get the best seats and the date and time of performance that you want. Last year every performance was sold out!

We look forward to welcoming you in January for some great fun and entertainment.
