

## **What's a Show Supper Evening?**

**This is one of Barns Green Players' very popular shows where the audience can bring their own food. Circular tables of eight with white table cloths provide a relaxed and comfortable atmosphere and drinks are served at the tables from our licensed bar by members of the Players. If you can't get a full table of eight together don't worry. Just book for as many tickets as you need and we will put together tables of eight people. We encourage you to arrive around 7pm so that you have time to have a drink and a chat, order some wine and eat your meal in comfort prior to the start of the show.**

There is no set formula, everybody seems to do things differently. Some people prepare a lavish cold spread, some people bring hot dishes, some people have a takeaway delivered or bring one with them!. Some people even dress up! It's entirely up to you. There will be a half hour interval which gives you a chance to order another drink and perhaps have a desert and coffee.
